Vice Chair- Bob
Secretary- Troy Madden

No change to minutes

Looking for new co-op places for students. All members please let us know if there are any job opportunities for our students. Muse restaurant in Oxford is a possible location. Also, assisted living facility in Newark is another possibility.

Avon Grove Lions Club is offering a \$500 scholarship for a culinary student.

New Marketing- The restaurant is open three days a week Tue-Thursday
For larger groups, they will do a buffet in either the restaurant or another meeting room.

Chair- Mike Hall
Vice chair- Bob
Secretary- Troy Madden

NOCTI- Students do a performance test to see their competency level. They have three hours to cook the various products. They are judged on knife skills, sanitation, safety and overall products. Afterward, they tasted their product and other students to do an informal evaluation.

Instructors- With increased enrollment, there is a distinct possibility that a second full-time instructor will be needed.. Chef Landis does one week here and one week at Brandywine. It is hard to get first year students to stay current with theory when they she is here every other week.

8 graduated, but they are looking at around 55 students for next year.

SkillsUSA- 2nd place for Culinary Arts.

Fall Meeting will be sometime in October.

Signed,
Troy Madden

Secretary
